THE MISSION OF SAINT LOUISE DE MARILLAC PARISH IS TO BE A SIGN OF CHRIST'S PRESENCE FOR THE COMMUNITY BY...

*... sharing in the mission of Jesus Christ, drawing her members to an authentic encounter of the Heavenly Father through the Sacramental life of the Church and a vibrant devotional prayer life, especially the celebration of the Mass and Eucharistic Adoration.*

*... imitating the model of our patroness, Saint Louise de Marillac, exemplifying in a particular way the virtue of charity to those in spiritual or material need, both within and beyond our parish boundaries.*

*... passing on the rich traditions and teachings of the Catholic faith through the sustained and generous support of our parish school and CCD program, and by maintaining vital catechetical and formation programs for all parishioners.*

*... fostering Christian stewardship, whereby parishioners willingly share their gifts of time, talent and treasure in daily witness to their faith.*
