

A Word from Jason

Our high school youth ministry is a place where teens in grades 9-12 can come, be yourself, meet new people, learn about your faith, experience God, and have a great time! We invite you to check out all of our events. You'll make some friends and you may even be surprised at how much fun you can have at church! So invite a friend to join you at our next event. With Sunday Life Nights, Tuesday Bible Study, service projects, game and movie nights, retreats, basketball and softball teams, there's something for everyone!

Our Youth Minister, Jason Zych is available to help you get more information about our next event, how to keep your faith in high school, or how to get your teens involved in youth ministry. Contact him using the info listed here!
