Dear all 6TH graders,

Have you ever wanted to learn how to make a quilt? If you answered yes to this question, we have the right club for you. Starting after break, Boyce will begin its first ever Q.C.C.

This club is an introductory club for young quilters. (We will learn how to quilt and the basics of quilting.) Our project will be a completed quilt, wich we will donate to people in need. You may also design and complete a quilt for yourself.
