RE: Your Service

Amy Kerman

Thank you so very much for your service to the community on January 16, at our Day of Service in honor of Dr. Martin Luther King, Jr. The blankets you made will go a long way to keeping people in need warm, as well as wrapping them in a bit of love in their home-made "blankie".

It was an honor to celebrate the "day on, not a day off" with you, and we look forward to seeing you again.

21 Blankets
