I hope that you are all enjoying these summer days. While our parish staff members are all continuing to serve our parish grouping day by day, we are all enjoying a bit of a ‘slow down’ which July often brings. I just want to share with you these few items.

I know that many of you have come to know Father Joe Kurutz over the past 15 years, since he began his retirement and has lived in Bethel Park (within Saint Joan parish). Father Kurutz has been a faithful and welcoming presence in the confessional at Saint Louise, and for a time often celebrated daily Mass to help us out. He is also very often with us for the 4:00pm Vigil Mass at Saint Joan (which was his first assignment as a newly ordained priest). This past May he observed his 60th anniversary of priestly ordination, but he has also experienced some health issues since then. Father asked if he might share his own words with you in our bulletin, which I am happy to do:

“I send my thanks to all of you who prayed and offered Masses for me, sent gifts, cards and good wishes on the 60th anniversary of my ordination, May 30, 2019. It’s easier for me to do this in one bulletin announcement rather than send a thank you by mail to each of you. I thank all of you for your kindness, generosity and good wishes. It feels good to be appreciated. But like a greedy recipient who has received so much from you, I am at the same time asking for you to continue to pray for me. The cancer I had in the lung in 2013 has returned. I am currently losing weight and feeling rather tired all the time. I have retired completely and will no longer offer Mass or hear confessions. I don’t have enough pep and energy to do so. I had an appointment with my oncologist on Tuesday, July 2nd and I began treatments on Friday July 5th. I’m certain God knows what is best for me. I ask that you pray like His Son, as I say with Him, I don’t want to drink from this chalice of pain and suffering BUT not my will but THINE be done. I’ve always been convinced that God loves me BEST. Every good Christian should feel God loves them best. He does.”

Father Joe Kurutz

We thank God for Father Joe K.’s priesthood, and how he’s shared it here with us. With you, I am particularly touched and am grateful to Father Joe even now, for how he is witnessing to our faith and teaching us how to accept our share in the Lord’s Cross. I trust that you will continue to pray for him.

Thank you once more for your support of the annual Missionary Cooperative Appeal. Last weekend, July 6 & 7, we welcomed Sister Gratia and Sister Mercy of the Sisters of Mary Immaculate to Saint Joan of Arc. Next weekend, July 20 & 21 we will welcome Passionist Father, Curtis Kiddy, to Saint Louise de Marillac. This annual appeal supports the missionary work which our guests speak about and many other missionary activities carried out by our Church both in the US and throughout the world.

Please note: For our 9:00am Mass-goers at Saint Joan, we realize that a second collection was not taken for the support of the Missionary Coop. This Sunday, at the 9:00am Mass only, the second collection will be taken up for the Missions. Please place your ‘Repairs and Replacement’ envelopes in the first collection.

Lastly, our seminarian Aaron Ledgerwood has been introducing himself to our parish community in person, whenever he’s been able. I’ve asked Aaron to share a little bit about himself here in the bulletin by way of introduction. I’m sure that you’ll continue to welcome him to Saint Joan of Arc and Saint Louise de Marillac, and that you’ll also support him with your prayers.

Yours in Christ,  
Fr. Joe

From Aaron...

Hello! I am excited to join the faith communities of Saint Joan of Arc and Saint Louise de Marillac for my pastoral year! I grew up in Beaver County and attended the University of Pittsburgh for my undergraduate, where I majored in bioengineering. After I graduated from college in 2012, I worked as a research engineer for a few years; this was when I began to grow closer to God in prayer - especially in the presence of the Eucharist - and when I first heard the call to the priesthood.

I entered seminary formation four years ago and since then I’ve focused primarily on my studies while working on my prayer and discernment - I studied philosophy at Duquesne University for two years and then theology at the Catholic University of America for two years. It will be good for me to get some hands-on experience while I discern the priesthood during this pastoral year before I head back to CUA for my last two years of seminary. I’m looking forward to working closely with the parish staff throughout the year and will be concentrating my efforts to help as Faith Formation and Youth Ministries come together as one!

ChristLife Series
What is ChristLife?
"ChristLife is a process that equips Catholics for the essential work of evangelization so that all people might personally encounter Jesus Christ and be transformed into His missionary disciples." Most Reverend William Lori, Archbishop of Baltimore.

But what is a missionary disciple and how do we become one? Saint John Paul II proclaimed in his encyclical “Redemptoris Missio:" The moment has come to commit all of the Church’s energies to a new evangelization and to the mission ad gentes (to the nations). No believer in Christ, no institution of the Church can avoid this supreme duty: to proclaim Christ to all peoples." (RM,3). Thus, the basis of ALL evangelization is the one Gospel in Jesus Christ. And just as the woman who touched the cloak of Jesus, she did so in faith (Luke 8:40-49)… To proclaim the person of Jesus, the disciple does so in faith. Do you know the person of Jesus?

LITURGY OF THE HOURS
MORNING PRAYER
Whether Liturgy of the Hours is prayed privately or in groups, this official prayer of the Church, also known as the Divine Office or Opus Dei, gathers us into communion as one in the Body of Christ to sanctify all hours of our day. The Church invites all laity to join in praying Liturgy of the Hours so that God’s Word may be integrated into our daily lives. This beautiful liturgical prayer finds its source in the Eucharist and is truly both ancient and ever new.

Please join us for Morning Prayer on Tuesdays at 8:30am before the 9:00am Mass and on Wednesdays after the 9:00am Mass, at Saint Benedict the Abbot on Mondays after the 8:30am Mass, and at Saint John Capistran on Thursdays at 8:00am before the 8:30am Mass. Easy to follow booklets are provided.
Teens in grades 8-12 are invited to attend an amazing Steubenville Youth Conference weekend, with 2,000 of your closest friends! The weekend is held at Franciscan University of Steubenville on July 19-21. Cost is $220 and spots are filled on a first-come, first-serve basis! Check out our website for an awesome video that shows what the weekend is all about; https://stlouisedemarillac.org/education/youth-ministry/high-school

Attention Graduating Seniors: sign up for The Newman Connection by clicking the QR Code. This group is a non-profit organization that works with 400 college campuses nationwide to help connect graduating high school seniors with the Catholic campus ministry of their school. As you know, college is a crucial time in a student's life to encounter Christ and to grow with others in His Holy Church. College graduates who have been active in campus ministry are more likely to be engaged as a practicing Catholic after they graduate. These students are also more likely to consider religious vocations, including the priesthood. When it is estimated that 80% of Catholic students eventually leave the Church before they are 23 (pew forum, 2008), I think we can all agree that anything we can do to help connect our young people to a Catholic community at their new school is well worth the effort!

PARISH NURSE MINISTRY
Road to a Healthier Diet: Eat Less and Eating Fresh
There is no denying the facts: the American diet is wrought with too much salt, unhealthy fats, sugar and over processing! And furthermore, these facts contribute to the development of some of the most serious health risks in our nation: high blood pressure, heart disease and type 2 diabetes, to name a few.

One of the best ways to eat healthier is to eat more fruits and vegetables. They contain powerful antioxidants and other phytonutrients which have been found to protect against cancer and to retard aging. In addition, fruits and vegetables are packed with fiber which keep us, ahem...regular! And more good news, they ferment in our colon with the help of beneficial bacteria to produce chemicals that help us to lose weight. How cool is that!

When buying fresh produce, think color - dark green, red, yellow and orange, to get the most variety and nutritional value. Strive for five servings a day. And now is the best time to visit local farmers markets to take advantage of summer’s bounty.

Are you looking for fellowship and a deepening of your faith with other Catholic Women in our parishes?

- The **Catholic Women’s Fellowship** currently offers three different meeting times to suit your schedule. Each group meets for about 1.5-2 hours weekly or a couple times per month and offer time for fellowship as well as ongoing programs to accompany you on your walk with Jesus.

  - The **7:00pm Tuesday** group meets in the Saint Louise LeGras conference room. Short faith sharing/scripture study books are read and, through questions and fellowship, the group applies the readings to real life examples of faith and life struggles. The current book is *The Healing Stories of Jesus* (The Word Among Us Keys to the Bible Series).

  - The **9:45am Thursday** group meets in the Saint Louise Bishop Leonard room (lower level of church) following daily Mass and recent programming has included exploration of individual strengths with the Clifton Strengthfinders as well as a study by Bishop Barron on the Mass.

  - The **8:00am Saturday** group meets in the Saint Louise Youth Ministry office and their most recent formation was a study of the Holy Spirit presented by Father Pivonka via his 14-segment Wild Goose video series followed by a Lenten Study from Word on Fire - Bishop Barron.

Each of these groups allow for attendance flexibility with no requirement for weekly attendance. You are invited to try us out to see if you find a group that matches your interests and comfort level – no obligation to become a permanent member. Questions? Want to know more? Email Jeanne at ljr329@yahoo.com
