The Holy Spirit is most definitely stirring in our parish grouping. There are signs everywhere of the fruits of the Spirit and, I firmly believe, that these are a confirmation that the Lord has given us *everything* that we need to build an even more vibrant community in bringing together Saint Joan and Saint Louise parishes.

I certainly have experienced the Spirit’s work as, with much help and many prayers, I have discerned and brought together a new team to lead our Faith Formation Ministry. Early in May I shared with you that we are taking a big step together in establishing a united Faith Formation Ministry for our parish grouping. I am very happy to share with you that this week our new team has begun their work.

We welcome **Michael Shipe** as our Faith Formation Director, focusing on our Middle School grades. Mike comes to us from Saint Irenaeus Parish in Oakmont where he has served as Director of Religious Education and Youth Minister.

We also welcome **Dolores Shipe** as Associate Faith Formation Director, focusing on our primary grade students. Dolores has most recently served as Pastoral Associate for the Downtown Parish grouping, and before that as both Director of Religious Education and Director of Family Ministries at Saint Raphael Parish, in the city’s Morningside neighborhood.

It is no coincidence that Mike and Dolores share the same last name, they are married and the parents of four boys. Mike and Dolores have worked in ministry together in many situations, including in Marriage Preparation and in offering retreats to students in faith formation.

We are fortunate to have **Jason Zych** continue on with us as Director of Youth Ministries for our parish grouping. Jason has served as Youth Minister for Saint Louise Parish for the past 10 years. Jason is also a Saint Louise parishioner, together with his wife, Sarah, and their five children. He now looks forward to building relationships between the young members of both parishes and to working as part of a ministry team devoted to faith formation and evangelization of all members of our community.

I am also very happy to welcome seminarian **Aaron Ledgerwood** to Saint Joan of Arc and Saint Louise de Marillac. This week Aaron begins his pastoral year with us. Aaron previously spent 2 summers at Saint Louise (in 2016 & ’17) and returns to spend the next year with us as part of his priestly formation, having recently completed his second year of seminary studies at Theological College in Washington, DC. I look forward with all of you to getting know Aaron better as he shares in the life of our parish communities.

After welcoming these new members to our parish staff, our Saint Joan of Arc community celebrates with **Audrey Wurst**, our friend & parishioner, and for last 6 years, Coordinator of Youth Ministry for Saint Joan of Arc. This weekend, Audrey officially retires from her position. In that time, who can count how many pretzels were dipped in chocolate, hoagies made, or breakfasts prepared under Audrey’s watch, all the while spending time with our younger parishioners, and leading them in service to our community. Very happily, Audrey will continue on as an active member of our church. She will serve as a board member for the Appalachia Work Camp, whose work she has devotedly supported through her work in youth ministry. I know you will all join me in thanking Audrey for her good work.

**You are a priest forever, in the order of Melchizedek!**
With each newly ordained priest, the Lord renews His promise to provide shepherds after His own heart. Please keep in your prayers our four new priests, ordained to serve our Church in Pittsburgh: Father Brendan Dawson, Father Timothy Deely, Father David Egan, and Father Mingwei Li. May God grant them many, joy-filled years in His service!

Thank you once more for your support of the Little Sisters of the Poor. Over the 2 weekends the Little Sisters visited Saint Joan and Saint Louise we donated $13,527.35 to support their ministry to the elderly poor in Pittsburgh.

Our heartfelt congratulations and prayers go out to Benedictine Father, Paul Taylor. On June 14 Father Paul was introduced as the next president of Saint Vincent College in Latrobe, a position which he assumed this week. Father Paul has assisted at Saint Louise for nearly 20 years. Although we may not see him quite as frequently, he assures us that he still intends to help out with Sunday Masses as he’s able. As we thank Father Paul for sharing his ministry with us, we offer our prayers for his fruitful leadership of Saint Vincent College.

Please pray with me in thanksgiving for all these people that the Lord has brought into our lives, and that He will bless these new beginnings, especially within our parish which are well established on the faith and good works of our parish families, volunteers and staff.

Yours in Christ,

Fr. Joe

MISSION
COOPERATION PLAN
2019
Saint Joan of Arc
Dates - July 6 & 7, 2019
This weekend, we welcome Sister Gratia Kuttianickal, who will be speaking at all the Masses. Below is some information she has shared about her community of Sisters and their good work. Your generosity is most appreciated.

Our community of Sisters of Mary Immaculate was founded in 1948 in India by Bishop Louis LaRavoire Morrow, who was an American Bishop. He was the bishop of the diocese of Krishnagar, in India from 1939-1969.

The vision and mission of our community is the holistic development of families especially of women, girls and children. We try to fulfill this mission in the Church, by reaching out to the people in their spiritual, moral and material needs in towns, villages and rural areas of India and Africa through visits to families, the sick and homebound; pastoral, medical, and caring ministries; formal and non-formal education and other developmental activities.

Our house at Leechburg, PA. In 1981 the late Bishop William Connare invited us to the diocese of Greensburg, PA. We are engaged in pastoral, catechetical and caring ministries.

Attention Graduating Seniors: sign up for The Newman Connection by clicking the QR Code. This group is a non-profit organization that works with 400 college campuses nationwide to help connect graduating high school seniors with the Catholic campus ministry of their school. As you know, college is a crucial time in a student’s life to encounter Christ and to grow with others in His Holy Church. College graduates who have been active in campus ministry are more likely to be engaged as a practicing Catholic after they graduate. These students are also more likely to consider religious vocations, including the priesthood. When it is estimated that 80% of Catholic students eventually leave the Church before they are 23 (pew forum, 2008), I think we can all agree that anything we can do to help connect our young people to a Catholic community at their new school is well worth the effort!

**PARISH NURSE MINISTRY**

**Strength and Flexibility**

Engaging in regular strength training exercise has many health benefits. In addition to building and strengthening muscles, it may be possible to decrease the loss of lean muscle tissue over time and even replace some that has already lost. While strength training on its own does not lead to weight loss it may make it easier to manage weight and reduce the risk of disease by slowing the gain of fat, especially abdominal fat. Another benefit is bone health. In addition to weight bearing cardiovascular exercise, weight training can fight osteoporosis. And for our seniors, resistance training can help maintain the ability to perform activities of daily living such as walking, rising from a chair, climbing stairs, and even carrying one’s own groceries!

Physical Activity Guidelines for Americans include recommendations for all age groups:

Children and Adolescents – playing on playground equipment, tug-of-war, and climbing exercises; Active Adults – weight training, calisthenics, resistance training such as push-ups, carrying heavy loads and heavy gardening such as hoeing or digging; Older Adults – like those for adults but special consideration should be given to those with chronic health problems or muscular-skeletal conditions. Those at risk for fall should consider lighter exercises performed perhaps in a chair and/or balance exercises.

So, remember, check with your doctor or physical therapist if you have any chronic health condition or physical limitations. Strength and flexibility training should never cause pain. Never push yourself to the point of discomfort!
Are you looking for fellowship and a deepening of your faith with other Catholic Women in our parishes?

- The Catholic Women's Fellowship currently offers three different meeting times to suit your schedule. Each group meets for about 1.5-2 hours weekly or a couple times per month and offer time for fellowship as well as ongoing programs to accompany you on your walk with Jesus.

  - The 7:00pm Tuesday group meets in the Saint Louise LeGras conference room. Short faith sharing/scripture study books are read and, through questions and fellowship, the group applies the readings to real life examples of faith and life struggles. The current book is *The Healing Stories of Jesus* (The Word Among Us Keys to the Bible Series).

  - The 9:45am Thursday group meets in the Saint Louise Bishop Leonard room (lower level of church) following daily Mass and recent programming has included exploration of individual strengths with the Clifton Strengthfinders as well as a study by Bishop Barron on the Mass.

  - The 8:00am Saturday group meets in the Saint Louise Youth Ministry office and their most recent formation was a study of the Holy Spirit presented by Father Pivonka via his 14-segment Wild Goose video series followed by a Lenten Study from Word on Fire - Bishop Barron.

Each of these groups allow for attendance flexibility with no requirement for weekly attendance. You are invited to try us out to see if you find a group that matches your interests and comfort level – no obligation to become a permanent member. Questions? Want to know more? Email Jeanne at ljr329@yahoo.com

**MASS READINGS EXPLAINED**

Please join us each Wednesday morning to watch a brief video in which Dr. Brant Pitre discusses the readings of the upcoming Sunday Mass each week. Everyone is welcome to drop by Saint Louise Parish Center, any Wednesday morning if they have a half hour to spare. Come and learn about the historical, traditional and theological and practical applications of the readings each week. No registration needed and there is no charge. Come and try it out, you will learn a lot even if you can only make it to one video. Showings are in the LeGras Conference Room every Wednesday at 9:45am.

**CATHOLIC MEN’S FELLOWSHIP**

“*The Mass*”

Catholic Men’s Fellowship will be starting Bishop Robert Barron’s six week DVD series entitled, “The Mass,” Saturday July 13. We meet at 7:30 AM every Saturday morning in LeGras conference room, and we are finished by 9:00 AM just in time for morning Mass. Come hear what one of America’s greatest teachers has to say about the heart of the Church.

**PARISH MEMBERSHIP**

A frequent inquiry to our parish office is requesting a sponsor eligibility form. These require active parish membership. In order to be considered a member of the parish a registration form must be completed and brought back to the parish office. Also in order to keep our census up to date, if you have any changes to your information like name, address, telephone number, email address, members of household, etc. please let us know by calling 412-833-1010 or email stl@stlouisedemarillac.org with your updates.

**ROSARY FOR OUR MILITARY**

Please remember to join us in church at Saint Louise each Wednesday at 8:00pm as we pray the Rosary for peace and for all men and women serving in the military.
