Breastfeeding Awareness Month

Endorsed by the American Academy of Pediatrics and other health organizations, breastfeeding is the best way of feeding infants. New research shows that babies who are exclusively breastfed for six months and longer are less likely to develop ear infections, diarrhea and respiratory illnesses, and may be less likely to develop childhood obesity. Breast milk is custom-made by each mother and contains the perfect combination of protein, carbohydrate, fat, vitamins and minerals and disease-fighting substances that help protect babies from illness and is also beneficial to Moms!

Are you looking for fellowship and a deepening of your faith with other Catholic Women in our parishes?

The Catholic Women’s Fellowship currently offers three different meeting times to suit your schedule. Each group meets for about 1.5-2 hours weekly or a couple times per month and offer time for fellowship as well as ongoing programs to accompany you on your walk with Jesus.

• The **7:00pm Tuesday** group meets in the Saint Louise LeGras conference room. Short faith sharing/scripture study books are read and, through questions and fellowship, the group applies the readings to real life examples of faith and life struggles. The current book is *The Healing Stories of Jesus* (The Word Among Us Keys to the Bible Series).

• The **9:45am Thursday** group meets in the Saint Louise Bishop Leonard room (lower level of church) following daily Mass and recent programming has included exploration of individual strengths with the Clifton Strengthfinders as well as a study by Bishop Barron on the Mass.

• The **8:00am Saturday** group meets in the Saint Louise Youth Ministry office and their most recent formation was a study of the Holy Spirit presented by Father Pivonka via his 14-segment Wild Goose video series. In August they will be working through an Endow Study on Saint Teresa of Avila.

Each of these groups allow for attendance flexibility with no requirement for weekly attendance. You are invited to try us out to see if you find a group that matches your interests and comfort level – no obligation to become a permanent member. Questions? Want to know more? SCRI PTURE STUDY

THURSDAY MORNING BIBLE STUDY
September 5 through June 30 at Saint Louise
1st and 2nd Corinthians are two of the most beautiful and heart-wrenching epistles Paul ever wrote. They reveal that Paul's life, and the life of every Christian, is never easy. As you will discover, however, he never stopped fighting for unity and charity to his last breath. In the first letter, his concerns are very practical, as he helps the Corinthians confront and overcome their constant spiritual struggles.

By the time the second letter is finished, much has changed, and Paul is a victim of slander. Steve Ray and Fr. Patrick Winslow return to guide you through this intimate, heartbreaking letter. In 28 revealing lessons and 650+ verses, you will learn:

-What it really means to be a temple of the Holy Spirit
-How knowledge affects us vs. how love affects us
-What to do when you feel tempted beyond your strength

We will be starting class on September 5, and will continue through June 30; we will be taking the holidays off Thanksgiving through January 1. Class is from 10:00am—Noon.

Please fill out registration with your check for $46.95 for materials and send to Saint Louise de Marillac.
